GUARANTY. While we exercise the greatest care to have our trees and plants true to label, and hold ourselves prepared to replace, on proper proof, all that may prove untrue, we do not give any warranty expressed or implied, and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the trees.

REFERENCE

For those who do not know us we refer to any bank or business house in Geneva, the Commercial Agencies, and the leading nurserymen of the United States.

—NOTICE—

All goods sold by us are sold f. o. b. point of shipment, and while in transit are at purchaser's risk. We feel it is our duty to emphasize the fact that we do not insure the safe delivery of goods and that the title of any goods sold by us and consigned to the purchaser or consignee designated by purchaser passes to the purchaser upon delivery by us to the carrier at point of shipment.

And we desire to make it clear to the trade that the Railroad Company's receipt relieves us of all responsibility, and any claim for damage should be made immediately to the agent at the point of delivery.
